Presents

THE 1947

When Time who steals our years away
Shall steal our pleasures too,
The mem'ry of the past will stay
And half our joys renew.

—Moore

WITH DEDICATION TO . . .

Mr. Claude Neuffer

and

Mr. Thomas Hall

MR. CLAUDE NEUFFER

Mr. Hall has served as Dean of Students for the past two years. A man of firmness, understanding, and sincerity, he is a friend to all students. Possessed with a very likable personality he is respected very highly by the entire student body.

Besides being one of the outstanding professors, he plays a big part in other activities. He is the founder of an active organization, the Veteran's Club, and is now serving as its advisor.

The staff of the **BAGPIPE** regards co-dedicating this year's annual to Mr. Claude Neuffer both an honor and a privilege. Mr. Neuffer is one of our foremost active, and amicable professors. Besides serving with many committees on so many various programs, he participates very ardently in the religious activities concerning the college. He has taken a predominant part on many radio programs this past school year and has served as faculty advisor for the **BAG-PIPE**.

MR. THOMAS HALL

LIBRARY

ST. ANDREWS PRESBYTERIAN COLLEGE

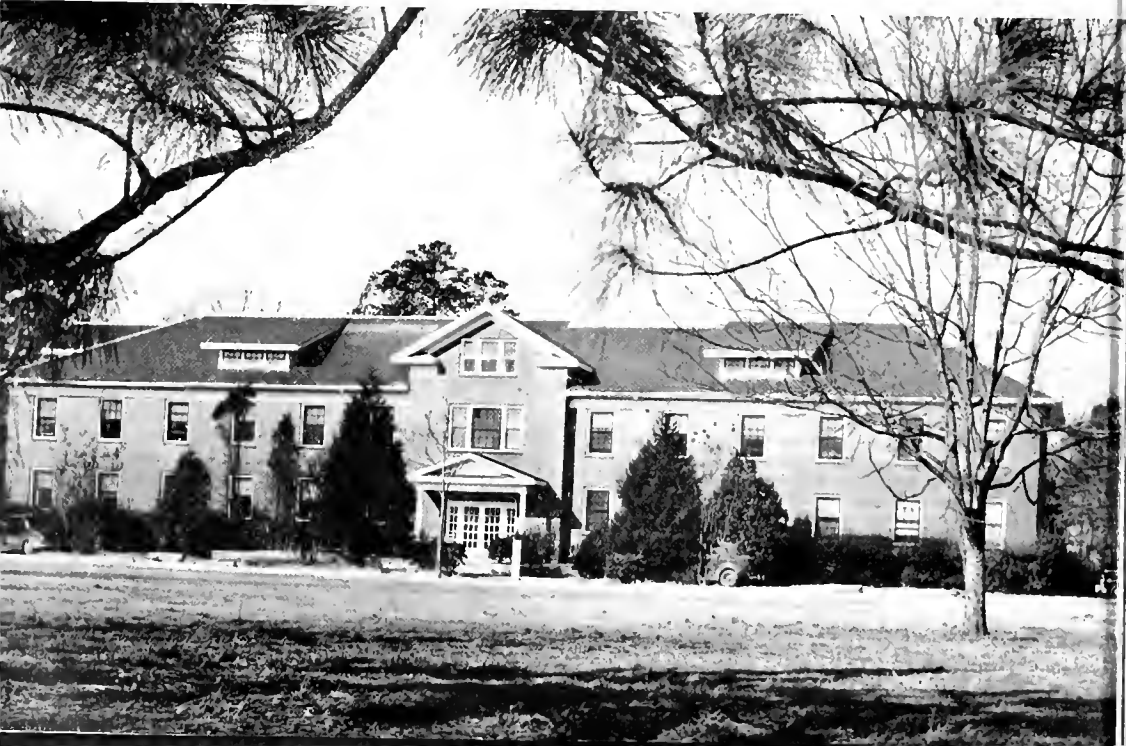

foreword . . .

The past two years have marked the beginning of a new era at Presbyterian Junior College. The returning veterans have enlarged the school to four times its normal capacity, and students just out of high school have contributed their share to the enrollment. This year has been particularly significant because of the establishment of a vocational school to complement the regular scholastic training. The North Campus school, as it is called, has prospered under Deon Bryson, and it is with deep interest that the student body looks forward to the estimated enrollment of eight hundred students entering next fall. Because of P.J.C.'s rapid growth, conditions have not been up to par. The cooperation shown is not what it should be; the buildings, athletic field, and gym at the main campus have suffered from lack of proper care.

It is, therefore, with earnestness that I express my hope that this annual will be an initial step towards closer, more friendly cooperation of all groups and the betterment of P. J. C.

—The Editor.

The President . . .

Dr. La Matte's efforts as president have been tireless, for he has given the full measure of his abilities for the betterment of the college. The results of his efforts speak for themselves. The student body of not more than one hundred and fifty in other days now exceeds four hundred. Part of the credit is due to our president.

DR. L. C. La MOTTE, M.A., Th.D., D.D.

GREETINGS

The highest good of the students is the aim of Presbyterian Junior College. We hope your attendance here has enriched and developed your life, so you will be a wiser, better and happier man all the days of your journeying. This year we have suffered from rapid expansion, and many things have not been as we would like to have had them. We hope our college will continue to grow, not only in size, but in the quality of teaching and effectiveness of its total program. We look forward with pleasure to association with those of you who return another year. We wish for you who go up to senior colleges or out to begin your careers that God's richest blessings may abide upon you all.

—Louis C. La Motte.

The Student Council

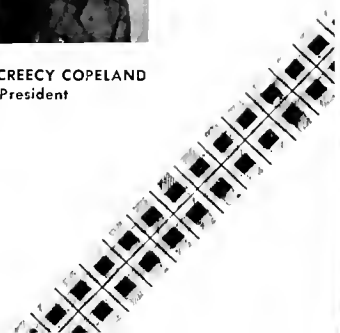

Government is a trust.—Henry Clay

The Student Government Association of Presbyterian Junior College is the most responsible student organization on the campus. It is the duty of the Association to impress each student with the necessity of self-control, honor, and responsibility. The Association is composed of the entire student body, which is governed by the Student Council. Presiding over this council is the President of the Student Body. Other members of the council are the Vice-President and Secretary-Treasurer of the Student Body, a president, vice-president, and chosen student representative from each of the four classes, and the dormitory administrators, the monitors.

The Student Council is entrusted with the enforcement of Student Government regulations, and the maintenance of a steadfast Honor System. Directly upon their shoulders falls the responsibility of student administration.

ACTIVITIES

The Bagpipe Staff

HERMAN BRYSON, JR.

Editor

MR. CLAUDE NEUFFER, Faculty Advisor

**What is writ is writ
Were it but worthier.—Byron.**

The United States is struggling laboriously through one of the gravest crises in its history, in its attempt to recuperate from the severe shortages felt by almost everyone during the years of war and since the cessation of hostilities. Because of this situation, the staff of the BAGPIPE has encountered an almost infinite number of problems in securing the necessary means for publishing this year's annual. We have worked diligently and energetically, always with the view in mind of producing a fine annual. We have clung tenaciously with fingers, toes, and high hopes of a miracle to aid in the perplexing situations which invariably arise before the publication of a yearbook.

The staff is especially indebted to Mr. Neuffer of the English Department for serving as its advisor. He has supported our work with sincere earnestness, and his suggestions, more readily grasped by a man of experience, have proved exceedingly valuable to our efforts.

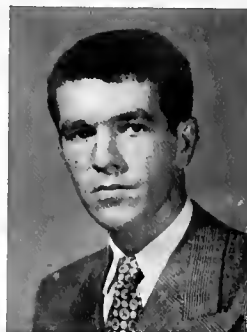

As for the student members of the staff, we have worked together smoothly. The tedious work, we feel, has reaped its rewards, and we sincerely hope that when you open the annual for the first time, you will read a book which will not only hold your interest, but which you will also be proud to show to friends.

GEORGE WILLIAMSON, Business Mgr.

PAUL MELVIN

Advertising Mgr.

We have endeavored in the BAGPIPE to present an accurate picture of life at P.J.C through the write-ups and photographs we have scraped together.

We are the first to realize that some things have been omitted. They, however, have not been omitted with malice aforethought—on the contrary. An early publication date has necessitated the omission of various activities and programs which occurred in the spring semester. We hope that, with the improvement in printing, engraving, and photographic conditions, future staffs will be able to present a more complete picture of life at P. J. C.

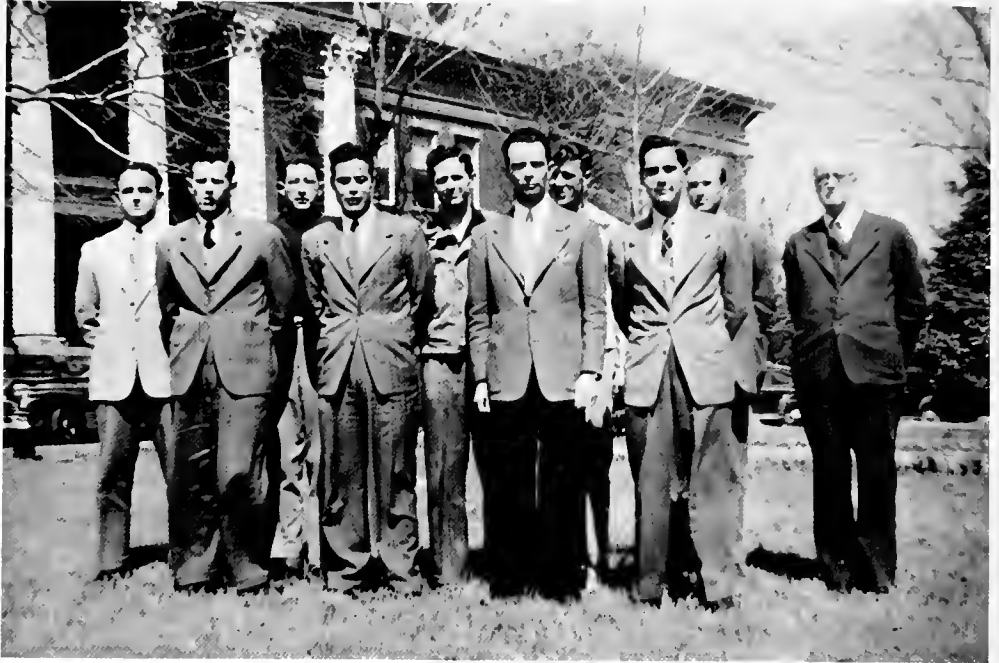

LLOYD HALES Assistant Editor

Literary Society

Left to right: First row—Brissan, Matheson, Smith, Thomas, Second row—Smith, J. K. Dendy, Howard, Hales, Goforth, Thornwell.

Speech is a mirror of the soul:

As a man speaks, so is he.—Publius Syrus.

One of the most active and beneficial organizations to be found at P.J.C. is the W. H. Belk Literary Society.

The society was organized in 1939 under the guidance of Mr. Boyle. At present, the society is very fortunate in having Dr. Thornwell, one of the most beloved professors of the college as its advisor. Dr. Thornwell's winning personality and faith in the student body, along with his boundless energy and thirst to mingle with and to lend his services

to young people, make the atmosphere more enjoyable for the entire student body.

The primary purpose of the society is to aid one in developing and acquiring the ability, poise, and self-confidence which are so vitally important in becoming a better speaker. The society also contributes valuable information to the members, assisting them in acquiring a more complete knowledge of the literary field.

Officers

HARRY SMITH	President
WILLIAM COPPEDGE	Vice-President
REID HOWARD	Secretary
ELMER GOFORTH	Sergeant-at-Arms
DR. THORNWELL	Faculty Advisor

The society has been meeting an Monday night. It has been deeply engrossed in debates, round-table discussions, prepared speeches and impromptu talks. Debates usually highlight the program and are proving to be the most beneficial to the society. The members are patiently looking forward to challenging debating teams from other colleges.

Under the direction of Mr. Neuffer and Mr. Darling, two of our prominent young professors, the members of the society have presented several very successful radio programs, and with eagerness are looking forward to having the privilege and honor of participating in many more.

The editor and entire staff of the BAG-PIPE wish to congratulate the members of such a splendid organization. To the society we extend our heartiest wishes for many more prosperous and fruitful discussion groups in the years to come.

Veterans Club

Left to right: First row—Jones, Willord, Knox, Townsend, Kirby, Wooten, Williamson. Second row—Hemmings, Cameron,, Cothron, Smith, C., Smith, J. K., Coppedge, Stinson, Motheson. Third row—Royster, Williamson, Stevens, McKee, Movromatis, Hollifield. Fourth row—Bristow, Mote, Moston, Jackson, Melvin, Robinson, Rowe, Lupton, Hughes, Bondonella.

The rank is but the guinea's stamp

The man's the gold far a' that.—Burns.

The most recent organization at P.J.C is the Veterans Club. The membership is restricted exclusively to veterans, as the name implies. The interest and enthusiasm shown toward the club this year have caused the membership to soar far beyond that of previous years. The club has proved to be a valuable asset to the veterans, as well as the student body.

Recently the club became a member of the State-wide Veterans center. This raised the prestige of the club and will enable the members to become more influential in organizing things that will be more beneficial to the "Vet." The primary functions of the club are to promote better relations among themselves; the faculty and non-veterans; to preserve a feeling of

Officers

DECATUR JONES

PAUL MELVIN

President

Vice-President

Secretary-Treasurer

brotherhood among all veterans of World War II; and to use the comradeship in mutual helpfulness. The members have worked seriously and intelligently to aid in improving the conditions on the campus and have endeavored to set examples for the younger students of the college.

The club has sponsored several entertaining programs. Dances, picnics, and

parties have been the chief forms of diversion and have proved to be very successful. The members of the Veterans Club are sincerely grateful to Mr. Hall for serving as their advisor. His deep interest shown in the members and in the club has been one of the important factors which have enabled the club to gain the recognition and retain the success that it has achieved.

Five Vets pose for picture.

Student Christian Association

Left to right: Moston, Boker, Velozco, Dunford, Marks, Phorr, Legerton

**What is a man profited, if he shall gain
the whole world and lose his own soul?**

—Matt: 16:26.

The Student Christian Association is a most outstanding student organization. Its officers are elected annually by the members of the student body, and its main duties are to supervise and conduct all programs of a religious nature. Two outstanding examples of this duty are conducting chapel programs and vesper services once a week.

One project of the association is to have Christian literature in the dormitories at all times; another is to convass students in order to secure funds for the Endowment. A future project is to promote evening prayer services in the dormitories.

The leaders of these services are those members of the association who volunteer or are asked by the committee chairman to lead the program.

The ministerial students who are in the Student Christian Association use their time and talents conducting morning church services at Skyway Chapel, an outpost of the Presbyterian Church of Moxton. Special Thanksgiving services were held by this group to promote "World Wide Bible Reading" from Thanksgiving through Christmas. The main purpose of the association is to increase Christian fellowship among the students through the plan drawn up by the Westminster Fellowship. This system is used by all schools of the Presbyterian Church of the United States.

The faculty advisors of the organization are Reverend C. H. Moury and Reverend Alvo M. Gregg.

Secretary-Treasurer

What shall we leave behind us, carved in stone,
Or groven on the hearts and minds of men:
This generation that must stand alone;
A brief life span that will be speaking when
The night comes down, and the paths that we have trod
Stretch out behind us in the sunset light?
What shall we leave behind us? Oh, dear God,
May it be clear-cut, fine—may it be right!

Something to make life simpler for those
Who follow after us, that they may find
A pointing finger, or a sign that shows
Where danger lies, God help us keep in mind
These young and valiant ones, with proud heads raised,
Who are to follow paths that we have blazed.

Glee Club

Left to right: First row—McClintock, Smith, Moston. Second row—Bryson, Beam, Howard, Brisson.

Sing away sorrow; cast away care.—Cervantes.

Because of the time members have spent on various activities and because of the necessity of doing the required amount of study for graduation, many of those in the Presbyterian Junior College Glee Club have not been able to continue the work in the second semester. A write-up of the glee club must then necessarily concern the happenings of the club during the first part of the school year. The club worked energetically on the program Mrs. Dorling, the director, had planned, and this program was presented with a great deal of success on last December 10, in the college auditorium.

The work of the College quartet, composed of Blake Leckie, Herman Bryson, Reil Howard and Bob

Jackson, formed an integral part of the club's curriculum. Through the auspices of the college, the quartet presented a program of songs on the Fayetteville radio station, a program which seems to have been well received by listeners.

In the future, when the college settles down in its expanded program, it is the earnest desire of the director and members that the club, hovering over four hundred students to choose from, will grow and flourish. Trips have been planned in which the entire club will take part. The BAGPIPE staff wants to congratulate the club on its Christmas program and to express the hope that more programs will follow in the years to come.

Dramatics Club

Act well your part; there all the honor lies.—Pope.

The Dramatics Club held its organizational meeting November, 1946. There were twenty-seven members of the student body present and six members of our Faculty Advisory Committee. After the officers had been elected and the by-laws established, a plan of activities for the term was decided upon. We decided to give at least three plays this year to be supplemented by short chapel programs, radio skits, and social activities. It was decided upon and established in the by-laws that the purpose of the Dramatics Club would be "to further the knowledge of the art of dramatics and for the enjoyment and entertainment of the members." Our first production was a two-act

comedy entitled "A Crazy Wedding and a Cuckoo Court." It was directed by Mr. Robert Grape and was a complete success when we presented it in December.

Our second production was a three act comedy-farce, "Here Comes Charlie." This play was also under the able directorship of Mr. Robert Grape, and it was a great success. Following this production, we became eligible for membership in Delta Psi Omega. Delta Psi Omega is an honor society of the Dramatics Clubs in all the colleges of the nation, and we were honored to be a member of it.

The Dramatics Club of '46-'47 has had a most enjoyable year, and we hope you have been pleased with our efforts to entertain you. We shall hold dear in our hearts the many hours of memorizing lines, building props, rehearsals, and all the other tails that accompany play acting. We shall never forget those moments of suspense when the curtains were pulled, and with footlights shining in our face, we became—for one or two hours—rich financiers,

country preachers, or bared debutantes living in a world of make-believe. Lastly, we shall never forget the moments of compensation, when the curtains were drawn, and with welcome applause ringing in our ears, we returned to our normal lives once again. It is with pleasure that we of the '46-'47 Dramatics Club look back on these incidents.

C. L. Hollifield, President.

SUMMARY OF THE SEASON

The Presbyterian Junior College Redbirds started off slowly this season, losing their opening game to Eastern Carolina Teacher's College at Greenville by a score of 26-0. The second game played was with the Mars Hill College eleven at Mars Hill. The tally at the final whistle stood against the Redbirds, who scored more first downs, but lacked a scoring punch. The sports staff of the BAGPIPE was sorry that it was not able to obtain write-ups of this and the Gardner-Webb game. The next game, with the Catawba "B" squad found the Cardinals more aggressive, pounding their way down to one score, and threatening twice more, but finally coming out on the short end of a

12-6 score. The following week, working under smoother coordinative conditions, P.J.C. won their first game, taking over an equally matched Lees McRae team by a score of 13-7. Baker, half-back scored both P.J.C. touchdowns on runs over fifty yards. The game the next Saturday was against a powerful Belmont Abbey eleven at Cromerton, N. C., where the Redbirds displayed fine power and deception to lead play for the remainder of the game to win, 19-8. The last game, played on the home grounds, showed a much improved squad take the contest 19-13. The final summary at the end of this tilt stood at three wins and three losses.

P. J. C. — E. C. T. C.

The "Pirates" of Eastern Carolina Teachers' College sang the P.J.C. football galleon as they captured the season opener for both teams by a 26-0 score. E. C. T. C. put a better conditioned and more experienced team on the field and those two qualities combined to give them the victory over their determined but outmanned opponents. The Pirates forward wall was easily the better of the two, and opened large holes in the P.J.C. lines time and time again. Pirate backs surged through the line to rack up 11 first downs but found rough opposition when they failed to gain with their ground play dirt was in sight.

P.J.C. took to the air when they joined and made the majority of their seven first downs through the aerial route.

Played to a standstill in the first quarter, the Pirates turned on the steam to score twice in the second period. Slode Phillips ripped through the center of the P.J.C. line for 30 yards to gain the first six points. Elbert Fearing intercepted a pass later in the quarter and scampered 45 yards to score. Henry Andrews kicked the extra point.

Fearing snake-hipped his way down to the line for the final touchdown.

Baker was pitching pretty passes for P. J.C., until he was injured in the second half. McBryde and Hobbs were line stalwarts for the losers. Evans was easily the best punter on the field. Hobbs snagged several passes for the losers and played a good defensive game.

P. J. C. — CATAWBA "B"

Catawba "B" football team gaining consistently on the ground and completing passes almost at will, notched seven first downs to their opponent's two, but were able to score only two times as they defeated P. J. C. by a score of 12-6.

Catawba set its first touchdown in the opening quarter on the old Statue of Liberty play that carried from P.J.C. 25 yard line to the five yard line. Four line plays brought the touchdown with Martin carrying. Catawba tried an end run for the extra point which failed.

P.J.C. recovered and Catawba fumbled in the third quarter, and Baker heaved a touchdown pass to McBryde on the first play. The kick for the extra point was blocked.

Catawba scored their second touchdown through the air on a pass from DeFerre to Martin after intercepting a P. J. C. pass on the Redbird 12 yard line. The P. J. C. pass defense was sadly lacking and Catawba completed five out of an attempted ten passes. P.J.C. also attempted ten passes, completed two and held two intercepted.

Catawba was troubled by fumbles and was in scaring position in the second half, when Furr ripped through to recover the fumble that set the stage for P.J.C.'s lone tally.

Catawba gained tremendous yardage on part exchanges while the P.J.C. backs were trapped on practically every exchange and stopped after gains of five to 15 yards.

P.J.C. made their initial first down early in the game on four line plays and had the other first down given to them in the second half on a penalty. P. J. C. received several penalties for delaying the game and Catawba was clipped for unnecessary roughness and offsides.

P. J. C. — DAVIDSON "B"

The Redbirds of P.J.C. drew first blood in the P.J.C.—Davidson "B" game, but they were sorely in need of a touchdown trans-

fusion after the first quarter, when the Davidson Wildkittens turned on the steam for three touchdowns and a 20-6 victory.

Davidson kicked off and J. C. Baker returned for P.J.C. Then Baker heaved a long 35 yard pass to McBryde on the Davidson 15 yard line, after two line plays Baker bulled his way over for the first touchdown. The pass for the extra point was incomplete. Turner, of the Davidson "B" eleven then retaliated by running wide to his right and pitched to Birnham in the end zone for a touchdown. Don Erb kicked the extra point and Davidson led 7-6.

P.J.C. kicked off to open the third quarter. An end-run last ground and Evans kicked to the Davidson 35 yard line. Davidson fumbled the ball and it rolled into the end zone where it was knocked out of bounds by a P.J.C. player for an automatic touchback with the ball going to the Redbirds on their own 20 yard line.

The teams changed sides for the quarter and the Wildkittens made two first downs on the first two plays of the quarter. Faule crashed through the P.J.C. line and scored. Erb's kick was blocked and Davidson led 13-6.

Baker fumbled the kickoff but recovered and advanced to the P.J.C. 28 yard line before he was knocked down. The ball was kicked out by Evans and advanced to the P.J.C. 49 on the punt return. Davie Ervin circled end for five yards and Rimer checked out around right end to score for the Wildkittens. Erb's kick was good.

Conners returned the kickoff to the P.J.C. 45 yard line. A pass was incomplete and another pass was intercepted by Charlie Miller who carried to the P.J.C. 20 yard line. After attempting to gain P.J.C. was thrown for a loss. Evans kicked. Dovie Erwin racked up two first downs and the game was over.

P. J. C. —LEES McRAE

Before some 900 fans, the Redbirds of Presbyterian Junior College turned back a hard fighting team from Lees McRae by a 13-7 score.

On the first play of the game Leo Williams returned the kickoff from the P.J.C. 10 to the 20 yard line. J. C. Baker tried two passes that fell incomplete. Archie Evans then got off a beautiful kick to the Lees McRoe 20, where it was received by Campbell

and run back to the 25 before it was down by Roy McBryde. Gardner picked up 12 yards for the Lees McRoe team and Campbell tried two passes that fell incomplete.

Two minutes after the second quarter Campbell scored a touchdown for Lees McRae and Clark kicked the extra point to make the score 7-0. Lees McRae kicked off to the Redbirds' 15 where Baker took the ball, running for a touchdown. McBryde's kick was wide and the score stood 7-6 in favor of Lees McRae.

A few moments before the half the Redbirds fumbled and the ball was recovered by Archie Evans to halt the Lees McRae advance.

P.J.C. kicked off to Lees McRoe to open the second half. After trying two passes that fell incomplete the Lees McRoe eleven were put behind by a 55 yard run to a touchdown by Baker of P.J.C. McBryde converted to make the score 13-7 in P.J.C.'s favor.

Lees McRoe started another drive that brought them down to the 2 yard line. P.J.C. held them there for 3 downs and on the fourth McBryde broke through and spilled Campbell for an 8 yard loss.

Evans then kicked out of danger to the Lees McRae 40 where the visitors started another drive which was brought to a halt when Bethel intercepted a pass on his own 30. A few moments later the game ended.

P. J. C. — BELMONT ABBEY

The Redbirds of Presbyterian Junior College made history by downing the favored Belmont Abbey by a 19-8 score.

Belmont Abbey kicked off and Brodham returned to the P.J.C. 37. Line plays failed to gain and Archie Evans kicked out for P.J.C. Belmont started a drive from their own 35 yard line and scored a touchdown, but failed to make the extra point.

P.J.C. came back in the same quarter with a series of off-tackle drives. Ground plays carried the ball from the P.J.C. 30 to the Belmont 40 yard line. Baker then picked a touchdown pass to Townsend. McBryde's try for the extra point was wide and the score was tied at 6-6.

Early in the second quarter P.J.C found themselves deep in their own territory and tried the old flake play. P.J.C. scored on Catawba with this play but it failed against Belmont Abbey. Knox lateralled to Baker and the ball bounced over the Redbird goal line with a Belmont Abbey man covering.

Going consistently through the line and around end, P.J.C. generated a drive from their own 28 that carried to the Belmont 30. Bradhom then skirred left end for 28 yards to the two yard line. Knox carried over on the next play on a quarterback sneak. McBryde kicked the extra point and the score was 13--8 at halftime.

In the third quarter, Townsend took a Belmont punt on the P.J.C. 25 and hauled it back to the Belmont 47. Short passes and line plays carried the Redbirds to the Belmont line and Baker ripped over tackle for the score. McBryde's kick was wide.

In the game with Edwards Military Institute played under the lights at Clinton, N. C., the Redbirds came back with a surge after spotting the opponents to two points in the first period and winning 12 to 2. The first touchdown was scored by Townsend and come after a sequence of eight first downs for 85 yards, and the second was scored by Jones with a pass from Baker.

THE 1947 SEASON IN REVIEW

In the 1945-1946 P.J.C. won the State Junior College championship. With this in view, the Redbirds were expected to make a strong bid for the crown this year. Because of the fact that there were so many veterans back in school, the competition has become much stiffer. All of the teams met this year held the advantage in height, which the squad found hard to cope with. With a few lettermen returning next year, Coach Eisold hopes he will have in that group a strong enough nucleus on which future championship teams may be built.

This year worked the formation of a North Campus squad under Mott Lyle, which in the future will probably be incorporated with the South Campus team when greater gym space is available. The squad, sporked by Overcash and Roberson, played many games, winning the greater percentage of them. With the combined talents of two squads, the coaches hope to pick, in future years, teams which P.J.C. will be proud to support.

Front row: POOLE, GURGANUS, THOMAS, KNOX, GRIFFITH, McBRYDE
Back row: COACH EISOLD, WOOTEN, BASS, KELLY, BAKER, WARREN, STEED, HARRINGTON

First row—left to right: PINER, OVERCASH, SHERRILL, ROBERSON. Back row: SAWYER, MORGAN, PHATT, THOMSON, BUCHANAN, PRIEST, HAMPTON.

AN UNSUCCESSFUL YEAR

Thirty men, including seven veterans from last year's championship squad, answered the call for practice. The season opened on January 7th with a game with E.M.I. on the home court. The P.J.C. cagers found the going tough from the start, finally losing to the underrated cadet five. Owen Kelly led the Redbirds' offense with thirteen points.

The second game of the season was with a highly rated Junior Varsity team from U.N.C. The phantamette squad had a great edge in height and experience, thereby gaining the advantage and keeping it all the way. Owen Kelly and Wiley Steed sparked P.J.C.'s offense with ten points each.

Following this game, the Redbirds took to the road, splitting a two game schedule, winning the first over the Belmont Abbey cagers, and losing the second by a small margin to the Davidsan Jayvees. Steed with, eleven

points, led the field for P.J.C. in the Belmont Abbey tilt, while Captain Knox, with eight points, led in the Davidsan game.

On January 28th, the P.J.C. cagers left on their second trip, taking on Campbell the first night, succumbing to a 45-26 defeat at the hands of a much taller team. Wiley Steed led the Redbirds from Maxton with ten points. The team proceeded from Campbell to E.M.I., where they played the cadets for the second time during the season. It was a close game all the way, with E.M.I. finally pulling ahead in the last few minutes to win. P.J.C.'s talented guard, Wiley Steed, again led the P.J.C. cagers with nine points.

The next game was played at home where the Redbirds took on the Davidsan J. V.'s for the second time. This time the squad fell to a 60-30 defeat at the hands of the fast Davidsan team. Cannar was high man for P.J.C. with nine points. On February 4th the

squad played host to the Campbell team. This was a much more superior game than the first, but Coach Eisald's team finally lost out by a score of 51-42. Hugh Bawman led P.J.C. with 13 points.

The next game saw the Redbirds pulling ahead of a Louisburg five on P.J.C.'s home court to claim victory in a close game, P.J.C. finally winning by a 35-32 score. Ollie Bass led the scoring for P.J.C. with twelve points.

On February 8th, the cagers took on Belmont Abbey for the second time, at the P.J.C. gym. The Belmont Abbey showed a much improved team this time and defeated our squad with a 42-32 score. Cannar led P.J.C. with nine points. After this tilt came an unsuccessful trip with games at Wingate, Pfeiffer, and Mitchell. The Redbirds lost all three games. The much taller teams from Wingate and Pfeiffer had little trouble in defeating us, while the game at Mitchell saw an improved P.J.C. squad which lost, however, to a score of 52-46. Wiley Steed led P.J.C.'s scoring with

nine points while "Hub" Knox was second with eight. Due to the cancellation of one of our regularly scheduled games, P.J.C. played E.M.I. for the third time this season and decisively defeated the outclassed visiting five by a 61-29 tally. Steed was top scorer for P.J.C. with fourteen points.

The Redbirds then took on the Wingate Junior College five for our last scheduled game, losing to the Wingate team this time by a score of 54-35. Bass and Bawman paced the Redbirds. After this game, the squad under Captain Knox entered the Eastern Junior College Tournament at Dunn, drawing Wingate in the initial series. They defeated us by a score of 58-30 and went on to win the championship. "Hub" Knox was high man for tallies for P.J.C. in this game.

Wiley Steed, the season's top scorer, led the P.J.C. team with a total of 121 points.

Audrey Brunkurst sponsors the first Game in the intramural tournament.

McGIRT'S PLUMBING And ELECTRICAL SERVICE

Congratulations . . .

All through your school years,
I've watched with good cheers,
The progress of your education,
I've provided good light,
For your studies at night,
From the start until your graduation.

As you leave your school days,
There'll be hundreds of ways,
I'll carry on in your chosen profession,
So, for us, it's not goodbye,
'Cause in the future I'll try,
To continue my cooperation.
